### Responsibilities and Privileges

#### Monday

Bring to school affects and photographs to decorate your display area. Make sure all items are labeled/captioned with information about its importance to you.

#### Tuesday

Write a letter to share with the class that tells lots of great things that you know about your FFGOW partner. If you don't have any ideas, talk to their friends or talk to Mrs. I.

Picnic lunch in the classroom. Invite 2 friends of your choice to the classroom for lunch.

#### Wednesday

Choose where you sit. If it is someone else's desk, they move to yours.

Appropriate behavior is expected and consequences are always available.

#### Thursday

You read your favorite picture book, poem or story to share with the class. It can be a piece you have written yourself. In fact, we'd love to hear what you've been writing.

You need to practice reading the book/piece aloud many times before presenting to the class. We will expect you to be well rehearsed.

#### Friday

Bring in a favorite picture book for Mrs. I to read and get a memento of your week as FFGOW. Be prepared to take your bulletin board down by the end of the day.
