

Unit-Plan Overview

This sheet is designed to help you plan for an entire unit. Using this sheet can be a great way for you to make sure that you cover major portions of the curriculum when doing a unit. An example is included below to show you what you should be including in your unit plan. This is just an example—feel free to change this, manipulate it, or create your own. This sheet can help you get those creative juices flowing when planning your unit.

- Be sure to include any specific literary sources and books that you may be using in this unit.
- Keep this with your weekly lesson plans as a guide to where you're going with your instruction as well as evidence of your planning. Your administrator will be happy to see this!
