

Portfolio Final Evaluation: Teacher Rating

Name _____ Date _____

Directions to the Teacher: Use this form for an overall assessment of the completed student portfolio. In addition, you may ask the student to complete a Portfolio Final Self Evaluation form. These forms can be placed in the portfolio and referred to during student or parent conferences.

I. Assessment of Individual Items

Rate each item in the portfolio from 1 to 4, with 4 being the highest.

ITEM	GOAL	RATING	COMMENTS

II. Overall Assessment

Rate the overall achievement of the portfolio in these areas using the following rubrics:

- _____ Focus
4. All items reflect a clear sense of goals and a focused strategy for attaining them.
 3. Most items reflect the stated goals of the portfolios, but work includes a few unproductive strategies.
 2. Goals are lacking in clarity and strategies have regular lapses in focus.
 1. No consistent goal and generally aimless activities in this portfolio.

- ____ Variety
4. Items are highly varied and demonstrate competence and creativity in many areas.
 3. Items reflect some variety and demonstrate competence and creativity in several areas.
 2. Items are generally of one type with some new competencies and/or occasional creativity.
 1. Items are of one type and show little or no concern for originality.

- ____ Attitude
4. Shows enthusiasm for and commitment to achieving stated goals.
 3. Generally positive about achieving stated goals but shows occasional periods of inactivity or low interest.
 2. Needs regular urging or reminders to complete steps in the portfolio plan.
 1. Completely lacking in enthusiasm and commitment; works on portfolio only after repeated reminders.

- ____ Progress
4. Portfolio shows substantial progress over previous work in a broad range of skills and competencies.
 3. Measurable growth and progress in several areas of skills and competencies.
 2. Modest growth and progress in one or two areas.
 1. No noticeable growth in any area; work is mechanical and repetitious.
