

# The Magic Mirror

Explorers recently found an amazing Magic Mirror in a deep cave on a remote island.

Although this is the only one that has ever been found, Magic Mirrors were once used by many people throughout history.

THE MAGIC IS STILL GOOD!!!

One look into the mirror will show you your past, present or future-but only for 30 seconds.

Take a deep look into the Magic Mirror and watch your story unfold.

REMEMBER- only thirty seconds or you will turn into a pillar of salt.

Record your story on paper and include an illustration of what you saw.

You may share your experience with your classmates if you wish.
